NOVA BIOMEDICAL SCHOLARSHIP PROGRAM APPLICATION

Scholarships are available yearly to the children of full-time or part-time Nova employees. Applicants must be full-time students currently enrolled in a college, vocational school or other undergraduate institution beyond the high school level. High school seniors who are planning to attend college, vocational school or other undergraduate institutions full-time beyond the high school level are eligible and are encouraged to apply. The scholarship fund seeks to award to a broad spectrum of applicants, from high academic achievers to students who have shown other strengths, such as special talents, citizenship, special life or work experience and extra curricular activities.
